A Note from the Principal

**April 19th, 2018
Issue 9**

Dear Parents,

The sun is shining and it finally feels like spring, and we are beginning the downhill slide to the end of the school year! This is always an exciting time with many special events and celebrations so be sure to watch book bags carefully for upcoming field trips, field day information, information regarding the spring program and graduation. I want to thank you in advance for volunteering to drive on field trips. I know this takes time and gas but without your generosity we wouldn't be able to go. So, THANK YOU!

The month of April and the first part of May is also assessment time for our students in grades 3-6. The Kansas State Assessments are very difficult to reschedule and make up if a student misses. In addition, teachers are spending time reviewing material and preparing for the tests. I would ask that you not remove students for school for any appointments or other non-emergency events. Your child has worked hard throughout the year, and we want them to have the best opportunity possible to show what they know. They are much more able to do this if they have been in school consistently. Thank you for being conscientious in this matter. Our students always do great, and I know they will again this year.

If you haven't already, be sure to register on line with SchoolBelles, our new uniform company. This is an important step to make sure that you receive all of the sale and promotional material from the company. When ordering, be sure to use our **school code S2795**. By using this code, you earn rewards points to use towards merchandise and the school earns cash back. The school's cash back will be used to help people who need help purchase what they need. Thank you for your patience with our new company. I'm sure there will be some hiccups along the way, but we are off to a good start.

Thank you for all you do to support Catholic Education!

Peggy Bahr, principal

PARENT & STUDENT HANBOOK—Page 17 HIGHLIGHT FOR THE MONTH!

Field Trip Guidelines

1. There is one seat belt per child.
2. If there is an airbag, children should not sit in the front seat.
3. Students follow directions of the driver and use good manners.
4. Students are assigned a vehicle and a driver for going both to and from the activity. The driver will be given a list of assigned students.
6. Each vehicle proceeds directly to the site of the field trip and returns directly to school with no side trips or stops at fast food restaurants, etc.
7. Drivers will have a valid Kansas drivers license and appropriate automobile insurance.
8. Drivers may be asked to be in attendance during the entire field trip to help supervise students.
9. Drivers must be **Virtus trained. Documentation** must be on file with the Wichita Diocese.
