USE of PARISH FACILITIES

It shall be the objective of the Parish Family to make maximum use of its splendid facilities in a way equal in measure to Christian principles, giving first priority to the St. Joseph Parish Family, secondly to a local mission purpose serving the needs of the McPherson Community.

Charges for utilities & personal service are necessary to maintain the building and facilities. Costs are determined by the Parish Council in response to necessary maintenance needs of the church/school.

Church members or groups should contact the office secretary to clear a scheduled event with the church calendar. Approval for use of the facilities must then be given by the pastor. If a pastor is not available and an urgent reply is needed, the Parish Council president should be contacted by the office secretary.

- **KITCHEN:** Groups within the church/school desiring the use of the kitchen, need to clear the date through the church office and then have the event placed on the calendar.
- **PARISH HALL:** Groups within the church/community desiring the use of the Parish Hall, need to clear the date through the church office and then have the event placed on the calendar.
- **CHURCH VESTIBULE:** Church members desiring the use of the vestibule, must request approval from the pastor and clear the date through the church office.
- **ACTIVITY CENTER:** Groups within the church/community desiring the use of the activity center, need to clear the date through the church office and then have the event placed on the calendar.
